1999 Surrey Fire Safety Trailer

- 1999 Surrey Fire Safety Trailer
- Additional equipment not included with purchase unless otherwise listed. Mileage readings may not be real-time and should be confirmed.
- etc. Chassis
- Patio awning
- Roof mount HVAC
- Access Ramp on a Forks trailer frame
- The front area has a kitchen with a stove and oven (not real), Real Microwave, Sink, and cabinetry.
- The control room has electronics including cameras but no monitor, phone, controls for opening and closing duct work so you can direct the fog to different areas of the trailer to simulate a fire.
- Control switches for all the smoke detectors
- PA system with Microphone
- Television/VCR also included in outside accessible compartment for participants outside to watch learning activities before practical participation inside. The rear of the lower story has a simulated electric fire place that does not heat and a door leading to the outside deck (there is a fire escape ladder to go between the two outside decks and they both have safety rails).
- The top story is a bedroom with a small twin bed and sliding glass door.
- Spare tire
- (2) propane tanks
- Battery and solar charge maintainer
- Associated awning screening
- all diameter is 2 5/16 inch
- Unit is provided with title
- Two Story 30 ft. Fire Safety House Trailer

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
