Ambulance is in very good condition Exterior-rear fender is slightly bent on the drivers side and there is a scrape on the officers side of the box. Otherwise the exterior is in good shape Interior-, no rips or tears in any of the seats or upholstery Undercarriage- in good shape some surface rust but no rot Tires- in good shape-45% left

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
