Condition of Truck- Overall the truck is in very good condition
Exterior- No dents, dings or rust and the paint is in very good condition
Interior-1 rip in the drivers seat and a few small tears in the seats in the crew area. Otherwise the upholstery is in good shape
Undercarriage- In very good condition- very little rust
Tires- in good condition- still 50-60% left on them

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
