Condition of vehicle- overall the truck is in good condition

Exterior-no dents dings but a few small spots of corrosion. Overall paint is in very good condition

Interior-vinyl is in fair shape with a few tears and some of the seats.

Undercarriage- in very good condition with only minimal surface rust

Tires- Fronts are only a few years old and 90%. Rears have good tread but are past NFPA life

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
