- This fire truck is a brand new demo unit and is rare on the fire truck market today. Feel free to touch base with us to get the full specifications on this rig, and we will be glad to pass it along, but with minimal time passed since it was produced, this vehicle will have many years remaining to serve at its next fire department!

This fire truck has been well taken care of and has very little use during its life. With very few miles, it should serve your fire department for years to come!

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
