○ Height: Truck Height: 10'

The truck hasn't run regularly in several years. Engine was replaced in 2012, definitely needs at least 4 more tires (nothing is flat, but very old split rims), the window tracks to be replaced, windshield wiper repair, and likely a fuel line cleaning.

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
