- Truck is plumbed for a forestry line in the crosslays but the divider was taken out and the line was capped. Line was not needed in our area and was intended to replace a booster line.

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
