Truck is in good shape and everything is operational

Exterior- a few spots of operation, but otherwise the paint is in good shape and no visible rust

Interior- is in good shape, no rips or tears in the seats

Undercarriage- in very good shape some minor surface rust but overall looks good

Tires- in good shape

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
