Truck is in good shape

Exterior- good, no dents or dings. Does have a spot of oxidation but it has been treated.

Interior- in good condition. No rips or tears in any of the seats or upholstery.

Undercarriage- in very good shape, just some minor surface rust

Tires - in very good shape about 80% tread left

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
