1951 Crosley Fire Engine

- 1951 Crosley Fire Engine
- Mileage: 13,507
- Other Chassis
- Additional equipment not included with purchase unless otherwise listed. Mileage readings may not be real-time and should be confirmed.
- 4 Cylinder, 3 Speed Crosley Engine and Transmission
- Built in the early post-WWII years as an amusement park ride, it combines a Crosley pickup truck with a long custom built fifth wheel "hook and ladder" trailer with benches down both sides and safety restraints shaped like fire fighters' ladders. Built by Overland Amusements in Lexington, Massachusetts, they were marketed to amusement parks, tourist attractions and carnivals,, or parties, cruises around the neighbor, cause it street legal,,, It will carry up to 20 kids or adults and is perfect for parades, bithday parties or a car museum. this one is from California with original crosley motor and tranny, one older paint and has not been restored, but is perfect for parties!

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
